Serial No. 6

Letter no 4 C 67 B 16 in 28 from the Great Eastern Railway Co. Submits proposals for the revision of the Establishment of the Mulcc with a proposition statement

In July 1928 the Mulcc Railway Staff were asked to send up revised proposals in accordance with the scale provided in the Budget for 1928 — the Mulcc have now sent proposals for the revision of the establishment, commencing the staff of the Mulcc, involving an increase of Rs. 367-8-0 p.m. to meet the amount required under the several heads with the corresponding provision made for each during the current year are as noted below: —

2. The actual cost that will be required for revising the several establishments during this year will be likely about half the amount noted in Col (2) as five months of the financial year have elapsed before the new scales will probably come into force from 1st January 1929. The provision for the salary of the officer under notice will be required only after an officer is selected & his appointment to Secretariat by Govt. The Committee have resolved that the staff is very much hard working & etc. desirable to have the benefit

The proposal to revise the general scale of establishments for local Bodies is also contained in the Secretariat D.O. No. 4074-G dated 14-5-24-G dated 21/28-12-26, but as it is the intention of Government to revise the scales of establishments for local Bodies in the Mofussil generally, it is considered that the question of revision of the scales of this municipality should be taken up at the same time. As the proposals have been made in the budget the proposals may perhaps be sanctioned. Rs 100/- may not suffice for a proper clerical establishment for the Municipality. The proposal for appointment of a Chief Officer with the power to appoint a Chief Officer is also under consideration.

COMMISSIONER'S OFFICE OCT 18 1928 8830 KADUR DISTRICT

Sir,

Adverting to Government Order No.L 1559-60/M1.306-27-88 dated the 18th August 1928, sanctioning the Budget Estimate of this Municipal Council and directing to obtain specific sanction,before disbursing the enhanced rate of pay of officials of this Municipality, provision for which has been sanctioned in the Budget Estimate, and your letter No.L 1823/M1.66-27-12 dated 28-9-1928addressed to the ... Deputy Commissioner of Kadur District,requesting to submit for the approval of Government revised proposals etc , I have the honour to submit herewith for approval a statement of proposition for revision of Establishment under Octroi, Conservancy and other branches of this Municipality,prepared as per provision in the sanctioned budget for 1928-29, and to state that the Municipal Council at their meeting convened on 29-9-1928, while recording the Government Order and your letter under advertance,resolved that specific sanction of Government may be obtained and the enhanced of all the officials of all the branches,provision which has been sanctioned in the budgetary be paid of the resolution of the Council to enable of as herein

enclosed for favour of perusal

6

In this connection I have to bring to your kind notice that this Council have been, from the year continually making provision in the budget for increase in the pay of the officials and the same has been sanctioned every year, but for want of a specific sanction of Government the enhanced pay could not be paid to the staff concerned

The resolution of the Council, dated 31-8-1926, copy of which is herein enclosed for favour of perusal, speaks to itself how this Council, considering the marked rise in the cost of living in these days, were keen interested in the matter of payment of the enhanced rate of pay to the staff of this Council

I crave, further, to say that the work that has devolved on the staff of this Municipality as of late increased to a great extent, that the cost of living is extraordinary high and that, as such, it is needless to say that it is very difficult to extract decent work from the ill paid officials

It may also be mentioned here that, while the officials in other municipalities and Departments have been enjoying the benifits of handsome salary and as the officials of this municipality have not obtained any improvements to their salary from a long time the staff of the Municipality have been feeling very sad disappointment

In view of the above facts this Council recommended so long back as 17-3-1925, that a revision of the pay of the appointments be made and given affect to (a resolution dated, copy of which is herein enclosed)

I need not reiterate here that the proposed expenditure of this Municipality including the proposed enhancement is well within the normal income as the Govt have been pleased to observe the same while sanctioning

sanctioning the budget estimates of this Municipality in their order No L 1559-60/M1 dated 18-8-28

Under these circumstances I request that they may be so good as to kindly obtain necessary sanction of Government to the proposal of the Council, immediately

As regards the appointment of a Chief officer to this Municipality the Council however urge that the approval of Government in the Government Order under reference, (a copy of the resolution enclosed herein), and also confirm the scale for the appointment of the said officer as provided in the Promotion statement, which may also be kindly sanctioned

After the receipt of the order according sanction to the above, separate proposals will be submitted for the post of appointing a competent hand as Chief Officer

I have the honour to be,

Sir,

Your most obedient servant,

K Ramaswamy
